MEMORANDUM FOR THE RECORD

SUBJECT: SSCI Personnel Review Team Meeting with [redacted]
[redacted] Investigations Group, Office of
Security

25X1

25X1

1. [redacted] Chief Investigations Group, Office Of Security, briefed Gary Moore, SSCI and Tom Schultz, a GAO detailee on the SSCI personnel review team on the role played by the polygraph in Agency personnel procedures. [redacted] Chief Polygraph Division, also took part in the briefing along with the undersigned.

2. The briefing was held at [redacted] which [redacted] has been in operation for just two months. He explained the purpose served by the facility and how its expanded capacity will help to relieve the backlog of polygraphs. He mentioned the staff increases that have been made and are scheduled, in part as the result of the SSCI approval for such increased resources. He and [redacted] explained the five different polygraph programs employed by the Agency.

25X1

3. There followed a broad discussion in which several aspects of the polygraph were covered. [redacted] explained the methods we use and how they differ from commercial or other government polygraphs. He outlined the steps we are taking to recruit polygraphers and the difficulties we are encountering. He covered our own internal polygraph training.

25X1

4. [redacted] told the staffers what the procedure was with applicants who come to the facility for testing. Then there was a discussion of the results of the polygraph, the categories used and the coordination with the Office of Personnel including the adjudication process. Schultz asked whether the Agency has considered the use of regional security offices [redacted] it was important for quality control to have a centralized system. Other means that might be used to expedite the security processing were discussed. At the conclusion of the briefing the
